

South County CYC Reschedule Policy

Any request to cancel or reschedule a game by a manager, after schedules are completed, must be made through the District Sport Chair, and submitted with the appropriate fee, **not** with the opposing manager. The League Coordinators, **not the managers**, are authorized to reschedule games. This is in accordance with section 5.4 of the South County CYC District Policy Book.

Managers or coaches that reschedule games without the approval of the League Coordinator, or the District, will have the rescheduled game subject to double forfeit.

It is preferable, but **not mandatory**, to play a rescheduled game at the originally scheduled site.

All games must be played at a site classified for the team's division or larger.
(Refer to the list of field sizes and classifications).

To reschedule a game, the District Sport Chair must be notified by the team Manager (or a designated coach) at least seven (7) days prior to the game in question. The request will be approved or denied based upon the event and the participants, in accordance with South County District policy.

Parishes should provide the district with the dates of all potential conflicts prior to scheduling.

A manager who elects to forfeit a scheduled, or rescheduled game, should follow one of the procedures listed below to avoid having their organization assessed a **No Show penalty**:

1. Notify your League Coordinator of your intent to forfeit at least three (3) days prior to the date of your game.
2. If this is not possible, then the manager or a coach must show up at the scheduled site, at the scheduled time, with a completed and signed game card and at least one (1) player, in uniform, that is listed on the back of the game card.
